Lita Brown

Leta Brown (Nancy Brown, Carl Klock, George Grantison Klock, Isaac Klock, John J. Klock, Jr., John J. Klock, Johannes Klock, Hendrick Klock) graduated from Concordia University on May 3, 2002.

Lita Brown is the daughter of Keith and Nancy Brown (Klock) of Millington, Michigan. Leta earned a major in English and Music. She also has a minor in German. She will go going to Fort Wayne, Indiana to start teaching this fall. Lita has a degree to teach secondary education. This is from 6th. grade and up. But before she starts her teaching career, she will be taking a trip with some other College students to Russia. She will be doing some work for her church in an orphanage in Russia. Last summer she went to China with a group of young people on another church mission.

I meet the Brown Family last summer at their home in Middleton, Michigan. My wife, Darla and I wanted to do some research in Tuscola County and we also wanted to meet our new cousins. Nancy took us around to different cemeteries in the area and showed us where her parents and other family members were buried. I got the days mixed up and we arrived a day early. She was caught a little off guard. But we had a nice visit with her and her family. The cow loose in the front yard surprised my wife and I. The Browns live in the country and used to have a working Dairy Farm. A few years ago they had to give up the Dairy Farming Bussiness. They sold all the cows... well all but one. This cow was blind and they did not have the heart to sell this cow. She was born on the farm and never lived anywhere else. The cow stays it's own property, most of the time. On the other side of the road are several new homes. Like a sub division. The township wants to re-zone the area to Residential and raise the taxes. But as long as the Brown Family has farm animals the township can not

re-zone. So if the cow wanders across the street once in a while, the neighbors just bring her home. They are happy to have the cow in the area to keep their taxes down.

I meet Nancy over the internet. Nancy was surprised to hear from me. She did not know she had any Klock relatives left. She had never met another Klock. When her father, Carl died in 1979, that ended the Klock line in her family. I wrote an article in the newsletter a few months ago on her Grandfather, George Grandison Klock. George had three daughters and one son, Carl. Carl had three daughters and no boys to carry on the Klock name in their family. Thus, when her father died, so did the Klock name in her family.

We had dinner with Keith, Nancy and her family that night. They made us feel at home and we had a nice visit with them. I hope that they will be able to attend the Klock Family Reunion this June 29, 2002. I look forward to seeing them again.

Congratulations again Lita and good luck in Russia and on your new teaching career.

A LETTER TO MY CHILDREN, GRANDCHILDREN AND GREAT GRANDCHILDREN

There are moments in life when you miss someone so much that you just can't stand it.
When the door of happiness closes, another one opens, but often times we look at the closed door that we don't see the one which has been opened for us.
Don't go for looks, they can deceive. Don't go for wealth; even that fades away.
Go for someone who makes you smile because it takes only a smile to make a dark day seem bright.
Find the one who makes your heart smile.
Dream what you want to dream; go where you want to go; be what you want to be, because you have only one live and one chance this go round do to all the things you want to do.
May you have enough happiness to make you sweet, enough trials to make you strong,
enough sorrow to keep you human, enough hope to make you happy.
The happiest of people don't necessarily have the best of everything they just make the most of everything that comes their way.
The brightest future will always be based on a forgotten past; you can't go on well in life until you let go of your past heartaches and failures.
When you were born, you were crying, and everyone around you was smiling. Live your life so at the end, you're the one who is smiling and everyone around you is crying.

Jerry Lee Klock

Jerry Lee Klock (Ervn, Jacob, Ira, Isaac, Christian, John J. Jr., John J., Johannes, Hendrick Klock) was born June 27, 1952 in Sparta, Michigan. Jerry has lived in the Sparta most of his life. He is employed at Federal Mogul, a piston manufacturing plant in Sparta for over 25 years. He is married to Holly Zielke on June 28, 1991 at his "cabin in the woods" in Morley, Michigan.

Jerry is the sportsman of our family. He is the first born son of my father's brother, Uncle Ervin and Aunt June. He loves hunting, trapping and fishing. I was talking with him a few weeks ago and he was telling me about his latest hunting trip to Michigan's Upper Peninsula. He was hunting in and around the Kenton area. This was a deer hunting trip, but Jerry loves hunting duck, geese, wild turkeys, bear, rabbits and many other critter, large and small. He loves fishing as well, mostly walleye, pike, and salmon, but he has been known to dip a few smelt. He also loves to shoot crap with his bow. Jerry sometime works as a hunting guide for turkey hunts. In 1989 he was feafatured on the Fred Trost, Michigan Out of Doors Show for a wild turkey he shot. It was a 21 1/4 lbs. and had a beard of 9 and 1/2 inches.

The sixteen day hunting trip in Michigan U.P. bagged him a 145 lbs. 6 point buck. After he returned home he got two more does at his cabin in Morley. The last doe, he shot on the last day of the season at a range of about 300 yards.

Jerry told me the largest deer he has ever shot was an eight point with a spread of 16 1/4 inches. When Jerry is not out hunting with his gun or bow, he is out hunting with his video camera. He also loves to film his hunting trips. HE has asked me to invite any of his new cousins who love hunting and fishing as he does, to come hunting or fishing with him. He has twenty acres on the Little Muskegon River and has access to more acres for hunting in the area. There are lots of lakes and streams in the area as well. "Just give me a call and we will set something up." His phone number is 616-639-4812.

Jerry has three children, Tammy, Jerry Jr. and John Michael. He also has five grandchildren. Jerry Jr. has followed in his father's footsteps and is quite a hunter and fisherman in his own right. Jerry says he can't wait till his grandchildren are old enough to take out on a hunting trip.

From Klock Connections

My Grandpa, Dave Klock

Hello, my name is Ashley Klock. I am 10 years old and in the fifth grade, and I am the grand daughter of David W. Klock. I asked him if I could write an article for the Newsletter and he said I could. I chose to write my article about my

Grandpa. I will be explaining a little (a lot) about him. I had to ask him a lot of questions for my article.

My Grandpa was born in Sparta, Michigan on April 3, 1948. His favorite meal is Prime Rib with baked potato and salad. His favorite holiday is Christmas. He has been married twice. His first wife was Shelley Jackson. They had two children, Stacia (my mother) on April 19, 1973 and David James Klock on April 12, 1976. They got a divorce and he then married his second wife, Darla J. Bates who was born November 18, 1962. They were married on Oct. 19, 1984. They had two children. Joshua Klock who was born July 30, 1983 and Nicholas Klock who was born September 12, 1984. Nicholas is a senior and will Graduate this year. Joshua graduated last year.

My sister, Kristin and I live with my Grandpa and Grandma. We call them Mom and Dad because we have been living with them since I was a baby. My real Mom lives in Georgia and we live in South Haven, Michigan.

My Grandpa was in the Army and was in Viet Nam. He was a Communications Sgt. He fixed radio's and radio equipment in tanks, jeeps and trucks and stuff. He got out of the Army in 1970 and then he worked for Everett Piano Company in South Haven. He was President of the Union for several years. He got to go a lot of places when he was President of the Union. He has been to Mississippi, California, New York, Nashville, and

many other places when he was the Union President. He worked their for 15 years. The piano company closed and then he got a job working at a Nursing Home where he was a Maintenance Man. He is now 54 years old. He is retired on Social Security Disability. His hobbies are making the Newsletter, playing Euchre on the computer and bowling. This is a picture of him relaxing at home. I hope you like my article.

Kaylee Nichole Henry

A Benefit Jamboree and Dinner was held at the Evert Lounge in Evert, Michigan for Kaylee Nichole Henry on March 2, 2003.

Kaylee is the daughter of John Henry Jr. and Lisa Shopshear. Kaylee was diagnosed with a form of cancer called Neuroblastoma when she was three months old. Kaylee was born with this cancer. Upon initial diagnoses she was at an intermediate risk, recent testing has concluded she is actually a high-risk case. She has undergone several chemo and radiation treatments at the Devos Cancer Center in Grand Rapids. Kaylee's doctors are currently revising her treatment program, as the previous program did a lot of good, but cannot finish the job.

Throughout her treatment program, Kaylee has been a brave little girl. The cancer has been beat in most areas of her body. The cancer was in her stomach, intestines, liver and brain. Now the only place it remains is in her liver.

Kaylee attended the benefit dinner and Jamboree, held in her honor. Several bands from the Evert area volunteered to play at the benefit. Several area stores and business donated gifts and prizes. The Evert Lounge donated their space for the event. Almost \$2,400.00 was raised to help the family pay medical expenses. The picture on page 2 is

Kaylee and my grandson, Jacob Allen Klock, on the dance floor, both were having a great time. Kaylee is the granddaughter of my sister Sandy Klock Henry. I put the birth announcement of Kaylee Henry in Klock Connection in January of 2002, issue #6.

Spring Break At My Home

Joshua, 19 and Nicholas Klock, 18 went to Macon, Georgia to visit their sister, Stacia during Spring Break. (March 31 through April 4th.) Joshua graduated High School last June and works for a local company and installs siding while Nicholas will graduate this year.

This was the first big trip Josh and Nick have ever taken alone. Joshua drove the 19 hours trip, while Nicholas slept. My wife and I were a little worried about letting them go, but they did not have any trouble finding there way.

While there they visited their sister, and brother in law, Jim Goben their niece, Jenna and newpnew, Shane. While in Georgia, they took in the sites. They visited High Falls, in Jackson, Georgia and went swimming. They also visited the Museum of Aviation and Flight & Technology Center at Robins Air Force Base.
