- i. YVONNE SHERRY¹⁰ KLOCK, b. March 13, 1951, Orleans, Jefferson Co., New York.

Notes for YVONNE SHERRY KLOCK:

Klock Connections, Issue # 32 March 2004

Yvonne Klock lives in Brick, New Jersey and is the Administrator of New Jersey Eastern Star Home, Inc. in Bridgewater, New Jersey.

The New Jersey Eastern Star Home is a non-profit, 98 bed facility and has 100 employees. As Administrator, Yvonne is responsible for Facility Management which includes eight distinct departments, Accounting, Activities, Administration, Environmental Services, Facilities Management, Food Services, Nursing and Social Services. Her responsibilities include staff supervision and evaluation, salary and benefit administration, budget formulation, policy and procedure development, quality assurance, program management and public relations.

As Administrator she is also responsible to assure compliance with yearly state and federal standards and licensing requirements. These are subjects that I am quite familiar. I worked as Director of Environmental Services for a non-profit, 98 bed, facility in Douglas, Michigan for over 12 years and survived several State, Federal, H.U.D. and Fire Marshall Inspections.

Yvonne received her Masters of Public Administration from Fairleigh Dickinson University in Rutherford, New Jersey and a Bachelors of Science, Business Administration from State University of New York in Buffalo, New York. Yvonne has been Administrator of other facilities as well. Water's Edge Care Center in Trenton, King Manor Care Center in Neptune, New Jersey. As training, leading to Licensed Nursing Home Administrator, Yvonne has been Assistant Administrator at Medicenter in Lakewood, New Jersey and Assistant Director of Visiting Homemaker Service of Ocean County, Inc. at Toms River, New Jersey.

Yvonne's volunteer services to her community include work with the United Way, Retired Senior Volunteer Programs, Ocena County Council of Agencies and Literary Volunteers of America.

Yvonne's line would go like this; Ivan Lewis, Jacob Merton, Adam, Jacob Adam, Adam, Jacob (the Col.) and Hendrick Klock. She was born in 1951 in Alexandria Bay, New York. Alexandria Bay is in the St. Lawrence River in the 1000 Islands region of New York. " I am a frequent visitor because I still have family in the area", Yvonne told me in a resent e-mail. " We have a deed in our Klock Family Papers from the 1800's, that shows Adam Klock received a track of property in Penet's Square, which is an area of land in the town of Orleans, Jefferson County, which was owned by one to the early French Settlers of the Area, John La Farge. This was the family farm until the 1940's on Klock Road in the Village of La Fargeville, New York". Yvonne told me.

Yvonne is the oldest of five children. "My brother, Gary works for the New York State Department of Environmental Conservation and lives in Cuba, New York". Yvonne told me, " My brother, Craig works for construction contractor and lives in La Fargeville. My brother, Kim, works for the New York State Parks Department and also lives in La Fargeville, and my sister Tamara, works for the Army at Fort Drum and lives in Calcium, New York." Yvonne told me in her e-mail. "I am the sibling who has gone the most distance from home." Yvonne told me. "Although there are many things I like about the North Country (as Northern New York is called) the winters in New Jersey are much easier."

Yvonne interests include antiques, " I can't pass a Garage Sale or Flea Market without having a strong urge to stop and investigate." Yvonne told me. (Don't feel bad, I have the same problem, Yvonne. Some times I will drive two or three miles pass a Garage Sale and have to turn around and go back. Then when I get there, I have to buy something to make the trip worth while, then I usually hide what ever I buy in back of the garage, so my wife doesn't find out about the junk I just bought...) Yvonne mother was an Antique Dealer and Yvonne remembers spending many pleasant hours at Auctions, Yard Sales, and exploring her mother shop.

Yvonne also loves to travel. She has been to Italy three times, France, twice. She has also visited Germany, Switzerland, Spain, Luxemborge, Austria, England, Scotland, Ireland, Mexico, Bermuda, St. Croix, and Canada. She also loves the out of doors and enjoys cycling, cross country skiing, skating and hiking. " I enjoy the birds and wildlife I encounter along the way." Yvonne told me.

Thanks for letting me profile you in Klock Connections.
