My notes of Florence Tompkins based on various family notes and sources:

Played baseball on the Sheffield High school team for three years, two of which they won the championship game at Princeton, Illinois. There is a picture of their team posted on the Bureau County, Illinois website as well as on my various Tompkins pages.

Received a teaching certificate from a normal school in Princeton, Illinois and taught school at a rural school in a Belgian settlement north of Sheffield.

After Asa's death, she continued to run the Shellgas business and added washing machines. After World War II, she built a new store in the suburbs and was a General Electric franchise

that covered three states. She operated thin until 1953, when she sold and became House Mother for Chi Omega at the University of South Dakota in Vermillion. She retired in 1960 for health reasons, but in 1965 she went to work again as House Mother to Sigma Alpha Epsilon Fraternity in Vermillion. She retired the last time in 1969 and spent her remaining years enjoying her family.

They had five children.
