Notes for MARVIN MARCELLUS WATERS:

Marvin was born in Millington, Michigan on April 23, 1874, the third child of Elon M. and Diantha (Klock) Waters. At the age of 4 he moved with his family to New York.

In 1900 he was a cheesemaker, living in the town of Turin. On Christmas Day, 1901 in Lowville he married Gertie Fuller, daughter of Eugene and Alice [Edick] Fuller. By the year 1910 they had 6 children, Majel B. born December 10, 1902, Margaret C. born 1904 and died young, George A. born January 20, 1905, Eugene E. born April 5, 1907 and Alice E. born January 25, 1909. Marvin was a dairy farmer and the family was living in Lowville, New York.

Sometime between 1910 and 1920 the family moved to Dolgeville, Herkimer County, New York. At that time Marvin worked at the shoe factory as a ribbon stringer. They had two more children, Horace born 1909 and died in 1914 and Shirley born 1916.

By 1930 he and his family had moved to 274 East Clark Street in Ilion, Herkimer County, New York and he was working as a repairman for the typewriter factory. All the children had left home except Shirley.

During the 40's and 50's he owned a farm in Pulaski. On the farm he raised mink, made and sold dairy products and what ever they could to make a living. He had a old Maxwell that he took to the feed mill and filled the it to capacity between the front and rear seats. Finally the old maxwell broke one to many times and he buried it on the farm piece by piece, saying it was no good to anyone. He sold the farm in 1959 and they lived part time with his daughter Alice in Woodville and the rest of the time with his son George. He was a member of the Masons.

Marvin passed away July 2, 1959 of Congestive Cardiac Failure at the home of his son George in Durhamville, NY. At the time of his death he was a retired cheesemaker for the John Muller Creameries. He is buried at the Dugway Cemetery with his wife Gertie, his son George, his wife Blance and two of their children, his daughter Majel and her husband Kenneth.

From Klock Connections, Issue # 16 November 2001

Brian L. Klock

Brian Klock, (Benny, Leroy, William T. Ezekiah, Henry G., George I., Johannes, Han Hendrick Jr. and Hendrick Klock.) was born in Bethesda, Maryland and grew up in Rockville, Md. He is the youngest son of Benny Klock who is a retired Astronomer and Geodesist who now lives in Florida. I did an article on Benny a few months ago. Brian is a Attorney in Washington, DC. He is a Partner in the Law Firm of Fitzpatrick, Cella, Harper & Scinto. The Firm has about 150 attorneys in three offices in Washington, New York, and Costa Mesa, California. The firm specializes in intellectual property law (patents, trademark, copyright, and trade secrets) Brian specializes in patent litigation in the electrical and mechanical area. He is a registered Patent Attorney and is authorized to

Represent inventors before the U.S. Patent and Trademark Office to obtain patents

Brian attended College at Virginia Tech where he received a B.S. degree in Electrical Engineering in 1988 and M.S. in Electrical Engineering in 1990. He then attended law school in the evenings and earned his law degree. (with High Honors) from George Washington University in 1994. Brian worked full time while in law school. The first two years he worked as a Patent Examiner at the U.S. Patent and Trademark Office. He worked with inventors and their attorneys to insure that the statutory requirements for patent to be issued was met. The last two years while in law school Brian worked for the law firm that he works for today, as a law clerk/patent agent.

Brian lived in Manhattan and worked in New York City Office in 1996 through 1998. In 2000 he was elected a partner in the firm and was made Hiring Partner in the DC office where he spent a lot of time doing recruiting for the firm.

Today Brian does quite a bit of traveling for the law firm. He recently returned from Japan where he met with one of the firms largest clients. This was his second trip to Japan this year.

Brian is not married, (last time I talked with him) and loves to go "spelunking" with his brother, Mark and his other friends. Now what is spelunking? I had to ask Brian, I did not have a clue... Spelunking is exploring caves.... not the commercial ones either, like Carlsbad or Mammoth Cave. He likes to explore the small non commercial ones that are hidden in the hills of Kentucky, Tennessee, Pennsylvania and other states. Brian's brother Mark got him interested in Spelunking and they get together and go as often as they can. This sounds like something I would not want to do... I do not like bats, snakes and other creatures that fly and crawl around in the dark. But I got to give you guys credit for such and interesting and what seems to me a dangerous hobby... If you get time, could your or Mark tell us more about Spelunking. I know I would like to here more about it... E-mail or Write me a letter or maybe write a article for Klock Connections. Maybe send me a picture of inside a cave where you have been and what you find inside them... It sounds like a very interesting hobby...

Notes for ROBERT JOHN SMITH:

From Klock Connections, Issue #47, June 2005

Robert John Smith is the son of Roy James Smith. His father, Roy James Smith was born in Avon, Ontario, Canada June 4, 1887 and he married Isabel Harriet Bennett on July 10, 1917. Isabel was the daughter of the daughter of Bernard Chester Bennett and Anna French. Bernard Chester Bennett was the son of John Milton Bennett who married Harriet Louisa (Hattie) Klock. Hattie's line would go like this. Harriet Louisa (Hattie) Klock, (Harvey, George G.I., George I., Johannes, Henrich Jr., Hendrick Klock)

Robert was born in Clio, Michigan at the home of his parents on August 12, 1925. He graduated from Montrose High School in 1943. After some time in the Navy, he moved to Flushing, Michigan. This was in 1947.

Bob served on a committee which helped organized and form the Trinity Baptist Church in Flushing, Michigan in 1956 and served on its first deacon board.

Bob was employed by Buick & General Motors Parts for 37 years and retired in 1980. They moved to Florida and while living in Florida, Bob worked as a security guard for several years until he retired again at age 70. "We go to Florida around the end of October and return in May. We fly home every Christmas to be with our family", Bob and Barb told me during there visit. Bob also was a pilot and used to fly small planes.

Bob told me I was the first "Klock" relative he has every met. Bob heard about me from his cousin, Jackie Zimmer who lives in Arizona. Jackie and I have talked several time by e-mail and she has send me quite a bit of information on her branch of the Klock tree.

In 1949 Bob met Barbara Mae Witt. She was the daughter of William Witt and Winnifred Jordan. Barb was born Jan 3, 1933 at the home of her parents on a piano bench. She graduated Flushing High School in 1951 and on June 16 of that year, they were married. Barb, now retired, worked as a Optician Assistant and a Ceramic Teacher. They have three children, Joyce Marie, David Robert and Timothy Lee, all born in Flint, Michigan.

I met Bob and Barb Smith on May 12, 2005. They stopped at my home in Marcellus and we had a great visit. They left me their family genealogy, more information for my Klock Family Tree! Lot's of information that I didn't have! I will be adding to my tree. Their visit worked out great for me. I got more information about his family, made a new friend, and found a Klock descendant to profile in this months issue of Klock Connection.
